

## DESKTOP MICROPHONE

### ■ IN BRIEF

The desktop microphone is a simple and intuitive to use with a large integrated hand operated push to talk key and internal microphone pre-amp. It is ideal for use in control environments where desk space is at a premium or where an extra microphone and PTT are required.

### ■ COMPATIBILITY

The desktop microphone is compatible with the following AWCSL products.

- DRC-1's desktop controller
- DRC-1/32 desktop controller
- DRC-U audio interface
- TRICX-AIU audio interface

### ■ DIMENSIONS

The unit measures 68mm width x 150mm depth x 164mm height. It is fitted with a 1.8m cable.
